WELCOME

Howdy and welcome to the 2018 Brean Country Music Festival

We are rapidly becoming a favourite destination on the country scene throughout the year. We hold festivals in both April and June in addition to this annual festival. Our continued investment in luxury holiday caravans and lodges makes a stay really relaxing and cosy.

We also offer a choice of caravanning and camping pitches so everyone is catered for. Please check our website or enquire at reception for prices before you leave as bookings are already coming in for 2018.

For those of you that are local we also hold country music club nights on a selection of Sundays throughout the year and membership to the club gets you seat booking discounts and other benefits.

We are always looking for new ideas to expand our events and entertainment. We'd be pleased to hear any suggestions that you may have. Please email: ents@brean.com or speak to Jon Russell during the break.

I hope you have an enjoyable time here at Brean and if any of the team can assist you please do not hesitate to ask.

Alan House - Director
